

Politiche Europee di valutazione

Conferenza CUAMM – Padova, 2 Dicembre 2016
Franco Conzato,
Direzione Generale Cooperazione Internazionale e
Sviluppo
Commissione Europea

"Evaluation matters!"

- *Evaluation matters* – ci mostra la direzione del cambiamento e ci aiuta a imparare dall'esperienza
- La sfida: come sviluppare una cultura della valutazione e dell'apprendimento

EU project and programme cycle – outline of procedures

3 tappe chiave della metodologia

1

**Recostruire la logica
Di intervento**

2

**Focalizzare la valutazione
(domande)**

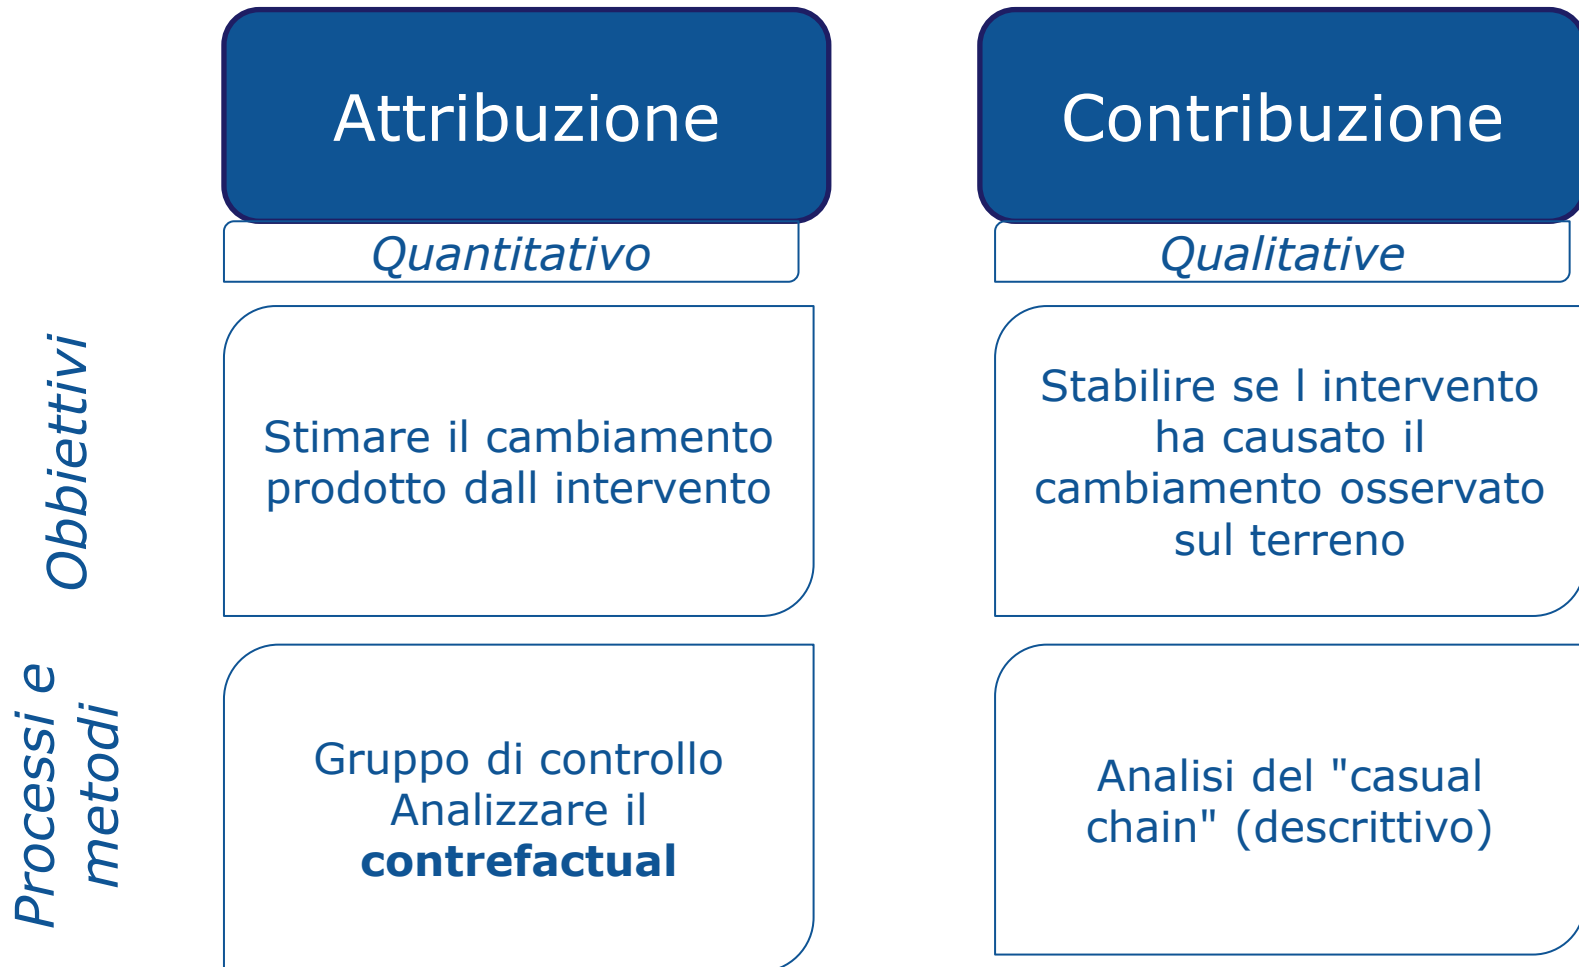

3

**Criteri chiari per
analizzare le domande
della valutazione**

**Conclusioni et raccomandazioni
Pertinenti e robuste**

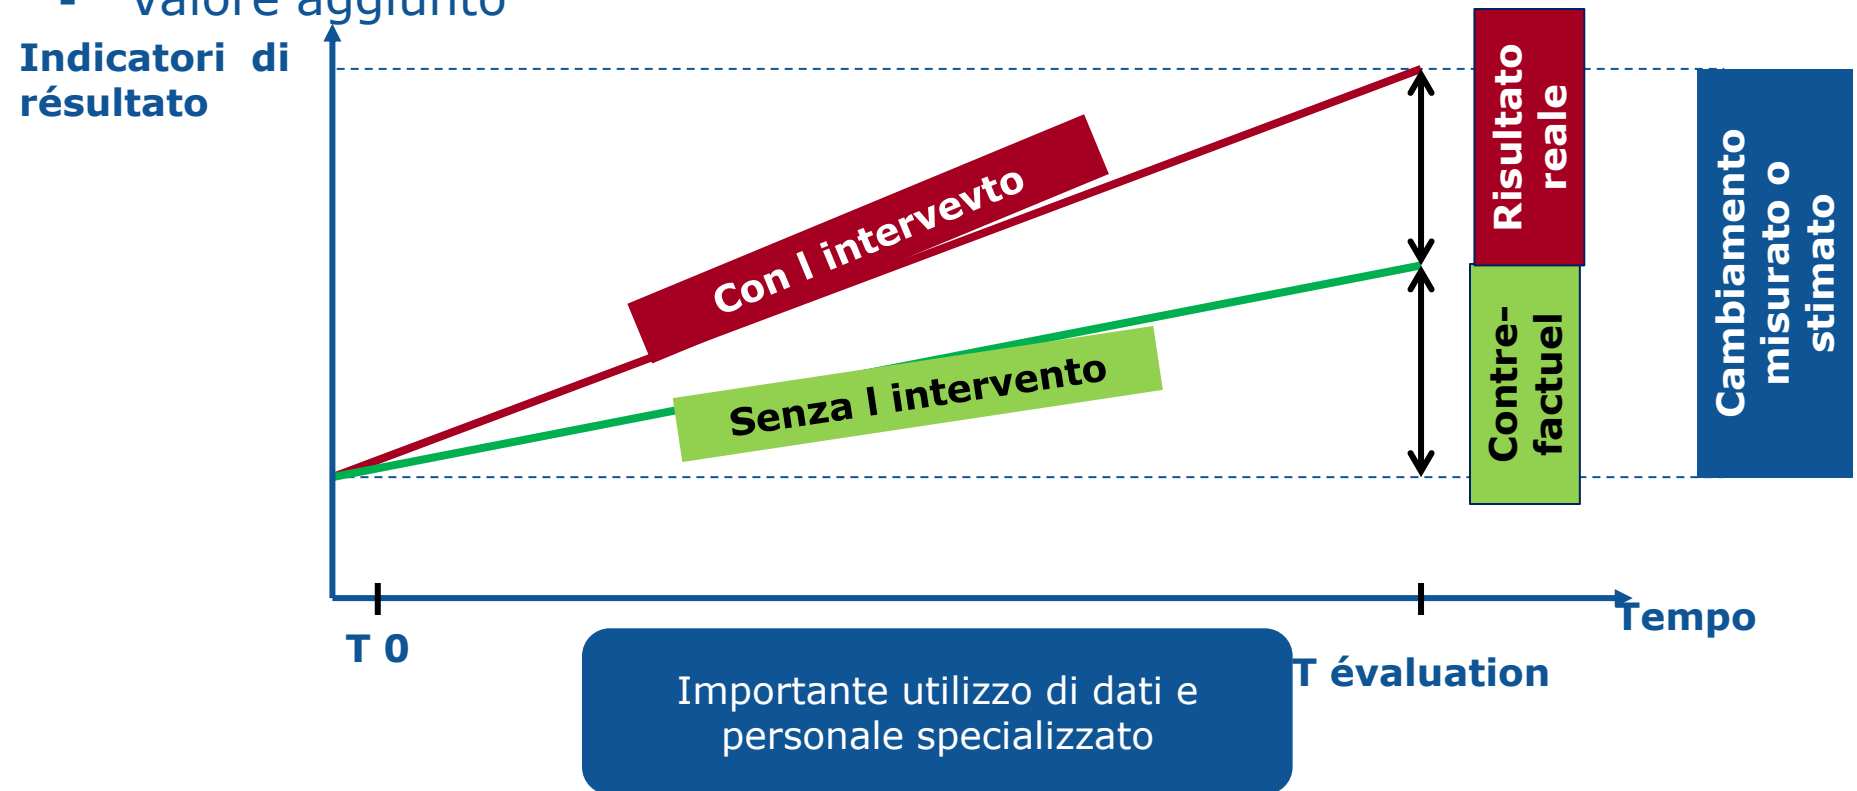

Le strategie di valutazione

Analisi della attribuzione e della contribuzione

Analisi de l'attribuzione – elaborare uno scenario counterfactual

- Gruppo di controllo / modellizzazione
- "con l'intervento" – "senza l'intervento"
- Valore aggiunto

Results are presented according to three levels

- 1 Development progress in partner countries (32 indicators)
- 2 *Partner country results supported by the EU (32 indicators)*
 - Aggregated results by sector
 - Country and thematic results
- 3 EU organisational performance (13 indicators)

Partner country results supported by the EU

Employment

326,000 people benefited from training and skills development intended to improve their employability, productivity and competitiveness.

Sustainable agriculture

4,544,000 women of reproductive age and children under 5 benefited from nutrition-related programmes.

Health

1,160,000 births were attended by skilled health personnel, helping to reduce maternal mortality.

Education

29,009,000 children were enrolled at school:
19,447,000 in primary education
9,562,000 in secondary education.

Good governance

19 elections were supported where the electoral process was perceived by independent observers as free and fair.

Natural resources

13,785,000 hectares of protected areas were managed to help ensure biological diversity and to preserve natural heritage.

Results from thematic programmes

Migration, Employment and Social Inclusion

The average income for informal workers increased by **85.4%** within 6 months of completion of formal TVET in the tourism sector in Benin, Cambodia, Ghana, Mali, Mozambique, Nepal and Vietnam.

Stability, Security and Nuclear Safety

In Ukraine, recommendations by the International Atomic Energy Agency were implemented to enhance safety at the Zaporozhye nuclear power plant. A **solid radioactive waste treatment building** was designed, constructed and is now ready for use.

Civil Society and Local Authorities

540 local authority employees and local actors in the Dominican Republic, Ecuador, Uruguay, Mexico, Argentina, Peru and Chile interacted with their international peers on how to promote local development and social dialogue.

Human Rights, Gender and Good governance

In India, Guatemala and Sierra Leone, **58,000** people were given training on how to gain property rights.

Health

100,000,000 HIV counselling and testing appointments took place between 2010 and 2012

Natural Resources, Environment and Climate Change

In Brazil, carbon dioxide emissions in the Santa Rosa and Candeias municipalities were reduced by
